

fag-got (fag'ət) **1.** there was a time when the word “faggot” meant a bundle of sticks. but then people started using it in an insulting, offensive way and things changed. so when you say things like “homo,” “dyke” and “that’s so gay” trying to be funny, remember, you may actually be hurting someone. **2.** so please, knock it off. **3.** get more information at ThinkB4YouSpeak.com
